Tennis is fun, social, good for you, and good for your well being!

PLAY TENNIS !

Tennis is a great life time sport for the whole family.

Tennis is **FUN!**

Tennis is easy to learn.

Tennis reduces stress, anxiety and depression, while increasing energy, fitness and cardio health.

Competitive tennis burns more calories than aerobics, inline skating or cycling.

Head to toe, tennis is the ultimate workout.

- Quickness and agility to get to the ball
- Core strength to get power into your shot
- Stamina to play 2-3 sets
- Mental toughness to stay ahead of your opponent

Tennis provides many social outlets.....come meet positive people and make new friends.

And, don't forget, tennis is a **FUN** way to a happier and healthier life.
